

Harel Gilor

E-mail: harel.gilor@gmail.com

has participated in the following openSAP course:

Enterprise Machine Learning in a Nutshell

Instructors: Daniel Dahlmeier and Markus Noga

This course was held from November 21 through December 20, 2017, and comprised 2-3 hours of learning effort.

This course highlighted the significance of machine learning for enterprise computing and helped learners to understand the basic concepts involved in machine learning. The course provided guidelines on how to formulate a business problem as a machine learning problem.

openSAP is SAP's platform for open online courses. It supports you in acquiring knowledge on key topics for success in the SAP ecosystem.

Walldorf, Germany, December 2017
